NATIONAL DAY OF MOURNING APRIL 28, 2010

Wednesday April 28th has been chosen as the National Day of Mourning across Canada. This is the one day of the year in which all working people can gather to mourn those who have been injured or killed on the job. Even though such occurrences are rare for those of us in FSS, it is a time to show solidarity with working people across the country in all fields and professions.

ATS Local 2245 CAW is asking that we all make an effort to attend whatever events may be planned in our local community. Let's show solidarity with our working brothers and sisters by attending.
