Passing of Glenn Horlick

It is with great regret the local advises the sudden and unexpected passing of our long time brother and co-worker, Glenn Horlick on June 12th, 2011 at the age of 54.

Glenn started his career with the FSS basic course in 1977 and his subsequent 1st posting in Goose Bay FSS. After a short stint in Goose Bay a transfer found him in Wabush until his transfer to Gander IFSS in 1985.

Glenn was always a union activist. He played a critical role in the formation of CAPRO while at Gander IFSS in the 1980's and worked tirelessly to improve working conditions at Gander.

At every station he worked Glenn was the definition of a professional FSS/IFSS. He took tremendous pride in the service he provided to our users. To his fortunate co-workers Glenn was always the "go-to" guy and assisted many a new IFSS in what it meant to be a professional. He will be missed.

The local offers sincere condolences to Glenn's extended family, co-workers and many friends.
