

Election Bulletin 2012-01

January 25, 2012

The ballots to vote on the tentative agreement for the next Collective Agreement have been mailed. The full Memorandum of Settlement is available on the website for your reference.

Each Member will receive an envelope containing a ballot, a small envelope and a larger addressed, stamped envelope. Indicate your choice on the ballot, seal it in the smaller envelope and put that in the larger envelope for mailing. This ensures maximum anonymity.

Returned ballots will be accepted as long as they are postdated no later than **February 15th**. The ballots will be counted a short time afterward to allow time for the ballots to be delivered to the Election Chairperson.

Members are encouraged to return the ballots as soon as possible to ensure it arrives before the vote count.

I will be commencing my transfer shortly so if anyone has a problem with the ballots, please contact me via email, confam4@sympatico.ca; I may not be available by phone but I will check emails daily.

Don't forget to vote.

In Solidarity,

Steve Connolly
