Re: Union Grievance:

Dear Mr. Veltheim;

This letter constitutes ATSAC's official Union grievance with respect to LOU No. 17 of the ATSAC collective agreement.

NAV CANADA is in violation of the Letter of Understanding No. 17 of the ATSAC collective agreement. The Company has failed to live up to the spirit and intent of LOU No.17 and has not provided a comparative analysis and the information intended when this article was negotiated.

The corrective measures sought by ATSAC is that a joint committee be established and mandated to perform a bona fide comparison of the duties and responsibilities of FSS positions to AI-01 and AI-02 duties and responsibilities.

Should you have any questions or comments please feel free to contact me at your earliest convenience.

Sincerely

J.P. Duclos  
Bargaining Unit Chair
